

I would like to tell you what K-Love radio means to me and my community.
I know that any time of the day, I can turn K-Love on and I get only possitive music and messages. I can be assured that any "litle ears" in my house will not hear vulgar songs and messages...EVER!
K-Love is there 24 hours a day for me and all people around the United States. It gives people who are hurting, hope and peace. In giving to K-Love I know that I am doing Gods work by helping the lonely and the lost. I have always wanted to go to the world and reach out to them but did not know how to do this...K-Love inables me to do this.
we (The world) are in moral decay and we need stations like K-Love that lead people to Christ instead of Satan. Please keep my station on the air.
Thank you and may God bless,
Cheryl Drumheller
